Community Builder of the Week - Ian McAdam -

Pinktails are on the right track

Name: Ian McAdam

How long have you lived in Alice Springs? I'm Alice born and bred. My family are traditional owners. But I did grow up in Adelaide and did my schooling in Adelaide.

Favourite sports teams, band or movie and why... Port Adelaide, AC/DC just because we grew up with them and that's the story of our lives. I'm binging on The Equalisers at the moment.

What role do you play in your community group/activity/action? We utilise our Redtails Pinktails Right Tracks Program to bring leadership, education and employment to our community and their mob.

Why is your community group/activity/action important? For all of those reasons. To help show the way to younger people in our community - how they

can contribute to a better community, and grow themselves.

Why do you volunteer? We find a gap, and what needs to be done, and we're there to fill it - myself and Rob Clarke and those who support us.

What achievements are you most proud of? Every time we have an opportunity to represent our community we do it to the best of our ability. It doesn't matter what the scoreboard is, and that is what I am most proud of.

Anything else you would like to say? Through our current game right now, I'm just proud of how long the girls have stuck around and trained. Equally proud of the girls who weren't able to make it because of injuries and other reasons. But so proud of the positives that have come out of our community instead of always focussing on the negative.
